Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Thursday 16 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Largely cloudy but dry. Feeling mild with light winds.

Today:
Thursday will be largely dry but predominantly cloudy, with the best of any bright spells across the northeast of the region. Feeling mild for the time of year, with light winds. Maximum temperature 12 deg C (54 deg F).

Tonight:
Remaining mostly cloudy but dry this evening and overnight. Winds will be light and it will continue to feel mild. Minimum temperature 6 deg C (43 deg F).

Friday:
Friday will be another grey, cloudy day, but most places should stay dry. Remaining mild for the time of year, but becoming breezy in the afternoon. Maximum temperature 10 deg C (50 deg F).

Outlook for Saturday to Monday:
Predominantly dry and cloudy conditions continuing, but becoming cooler, with a risk of overnight fog. Sunny spells in the east Monday, but the odd light shower too.
